

EASY WAYS TO PAY YOUR RENT & INVOICES MANUAL EFT

Manual EFT is the **free way to pay your rent & invoices** by an online transfer from your bank account.

Once set up you will be provided with bank account details to make the first rent transfer. You will be sent a new bank account number to pay into for each new rent pay period.

When will new bank account details be sent?

The new account details will be emailed to you and available in your Tenant app the day after your most recent rent due date. This will give you enough time to make the next transfer to the new account details.

What are the transfer clearance times?

It will take up to 3 business days for the money to transfer and clear into the provided bank account. It is your responsibility to make sure the rent and invoice amounts are paid to the account by your due date. The account will close 2 business days after the rent or invoice due date.
